P: 508-623-3700 Option #4 then Option #1 • F: 508-623-3765

WELCOME TO PONDVILLE CARDIOVASCULAR CENTER

Our certified physician, Dr. Mohamad El-Zaru, is committed to excellence in the field of Cardiovascular Medicine. We perform vascular procedures with the most personalized and advanced care to ensure that patient treatment is the least invasive with the quickest recovery possible.

Our Office Based Lab (OBL) is located on the first floor in our modern new facility. Our procedures are performed conveniently on-site. We perform different arterial and venous procedures.
